

# FiT Family Camp was FiT Fabulous!

What did we do this summer?

## FiT Family Camp

FiT Families experienced a whole lot of FiT Fun at

## Zajac Ranch for Children

With activities such as horse back riding, canoeing, low ropes, archery, arts and crafts, gym time and more, our families experienced so many fun things together in a controlled and safe environment.

Camp Fire was a big hit with the children as we sung funny songs, danced and participated in the Family Talent Show.

Who could forget the Scavenger Hunt??

## Annual Fundraising efforts help support the costs for FiT Family Camp

Special Thanks to our supports for making camp a huge success for these amazing families.

FiT will continue to work towards providing more FiT Family Camps to come!
